

Bernier, Joe

I was born and raised in Northern California and moved my family to Arizona in 1997. We have four kids and three grandkids. We have always lived in the Peoria area. My wife and I moved to Westbrook Village in 2015 and absolutely love it here.

My background is in construction and real estate with an emphasis on customer service and satisfaction. I've always enjoyed working to improve and enhance the customer's experience.

I have served on many boards in the past; from my previous community's HOA to serving over 300 families as the North Peoria Little League President for 3 years. I've always taken pride in bringing the community members and community leaders together to find the best and most efficient way to enhance our experiences while maximizing the resources we have.

I look forward to representing the members of this community in implementing updates, improvements and programs that enhance the community members' experience. I want to see Westbrook Village be the most desirable and up-to-date retirement community out there.

As a Westbrook Village Board Member, I will enhance the team approach and our quest to continue to improve the community to adapt to the ever-changing environment of active adult living. I'm excited to provide new and fresh insight into what our community can do and can be in order to enhance the positive lifestyle that we all enjoy.
