

## **Amy Miller**

I have served on several Committees and the Board of Directors during the sixteen years I've lived in Westbrook Village. It's been somewhat of a labor of love...

### **Service:**

- Westbrook Village Board of Directors - Board President 5 years, Director 8 years.
- Architectural Control Committee - Chair for 7 years, Member 10 years.
- Budget Committee, Ways and Means Committee – Member 5 years.
- Cornerstone Committee Chair - 5 years.
- Long Range Planning - Member 4 years.
- Recreation Committee, Personnel Committee – 2 year Member.

### **Significant Contributions and Innovations:**

- The Botanical Clock Chair - Saves WV over \$20,000 annually.
- Persuaded the City of Peoria to rename the New River Trailhead at Westbrook Village.
- Coordinated grant applications for the Botanical Clock, the Village Parkway Entrance, Beardsley Road, the Medians, 91<sup>st</sup> Avenue Beautification Project and the Reflection Garden.
- Golf Course Water Lease Negotiation Team – Significant savings on landscape water.
- Long Range Plan – Document and Master Plan Contributor.
- Founder - Second Sundays Marketplace and Phone Pals Program.
- Founder - The Home and Garden Show, Club Membership Booster, Health Fair.

I construct money saving solutions for the village. Additionally, I've spent many hours designing the Reflection Garden, lighting for the Lakes Ballroom and Botanical Clock. These stunning outcomes showcase a vision for a distinguished and unique community that I hope to assist advancing with a measured approach to the Long Range Plan.

There's no place like Westbrook, there's no place like home.
